## Outline announced - the 8th Sendai International Music Competition

Sendai International Music Competition has two sections, Violin Section and Piano Section, and is held every three years.

The Competition is unique in that it designates the concerto as the center of repertoire; that it enjoys a high reputation for balanced and reliable competition management; and that it is supported by warm hospitality of the citizens of Sendai.

In the past, many talented young musicians from across the world gathered in Sendai and competed in high level Competitions. After the Competitions, our past prizewinners have been steadily building up their bright careers and are active on the world stage.

The 8th SIMC Violin Section is scheduled to be held from May 21, 2022, and the Piano Section will be held from June 11, 2022.
